The allergen information listed above was prepared based on product information provided by our approved food suppliers and is effective August 2008. Updated versions will be generated periodically. Please note that variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, product assembly at the restaurant level, and/or season of the year. Please understand that normal kitchen operations involve shared preparation and cooking areas, including common fryer oil, which may result in food items coming into contact with other food items. As such, we cannot ensure that any food item can be completely free of allergens. Fatburger Corporation, its franchisees and employees do not assume responsibility for a particular sensitivity or allergy to any food provided in our restaurants.

We suggest that guests that have food allergies or special dietary needs speak to the Fatburger Purchasing Department at (310) 319-1850 with any questions regarding any of our products prior to purchase.

Notes:

Chocolate may have milk proteins.
 Coloring may utilize a gluten-containing grain.
 Flavoring may contain any of the eight allergens.
 Vegetable gum may contain soy.
 Studies show most individuals allergic to soy may safely eat soybean oil and soy lecithin.

Spices may utilize a gluten-containing grain.
 Food starch may indicate the presence of wheat protein.
 Vegetarian does not include meat, poultry, fish, or seafood. May contain eggs & dairy.
